Introduction

Thomas Paine wrote that the “law is King” in America in his political pamphlet *Common Sense* published in 1776. His words were true at the founding of our nation and are still true today. The proper functioning of Government depends on the proper application of the rule of law, not the rule of man. Thus, it is necessary for a Government to enact laws to ensure the proper functioning of a Government and to provide a bulwark against confusion and arbitrary decision making by its leaders. A codification of these laws in an easy to read medium ensures that all participants in and constituents of an organization can readily hold their leaders accountable and assert their rights under the law. The 61st Session of the Student Senate has provided such a codification when it created the Student Government Association Code (S.G.A.C.) on March 11th, 2009.

This May 2023 Edition of the S.G.A.C. is part of the fifth edition of the code. It sets in place a structure for all the various governing documents that regulate the operations and structure of the Student Government Association (SGA) and its service to the Student Body at large. Since October 15th, 1947, the Student Government Association has served as the representative voice of the students of Texas A&M, and this code helps harness that voice to its full potential.

The S.G.A.C. is presented on the following pages in an easy to read and structured format. For ease of use of the code, a table of contents is provided on the previous page to guide the reader to the appropriate classification of a document. Questions of procedure may be narrowed to a specific document based on whether the issue applies to a branch of Government, committee, or commission (Bylaws) or a law enacted by the Student Senate (Acts/Statutes). The constitution, as in all other forms of Government, is the supreme law of the land, and its provisions pre-empt all other documents included within this code. These documents are presented then in a flowing format with the constitution first, Bylaws second, and Statutes third in relative order of precedence, minus Title I, which is a Statute organizing the Code as a whole. Specific questions on precedence may be addressed to the Rules and Regulations Chair of the Student Senate at any time, as this individual is primarily responsible for the maintenance of this code pursuant to I S.G.A.C. §001.5(1).

Citing the Student Government Association Code: Recommended Methods

Long Form – The specific location of a rule may be listed followed by the long title of the document in which it is located. For example: Article I, Section II of the constitution or Article III, Section II, of the Election Regulations.

Short Form – This format is highly recommended for use in court documents or when referencing provisions of the code in Senate legislation or Executive/Judicial Orders. The title within which a specific rule is located under followed by the short form of the Code and the annotated reference of the specific section of the rule in question in the following manner:

- (1) The Title's roman numeral, *space*
- (2) S.G.A.C., *space*
- (3) The section symbol (§), *no space*
- (4) The three-digit Chapter number, *a period*
- (5) The article number in digit form, *parenthesis*
- (6) The section number in digit form, *a space*
- (7) Any other subsection or other classification with *no space* separating.

For complex cites, use Example 6/7. Ignore bolding in examples.

Example 1: Article I, Section II of the constitution
II S.G.A.C. §001.1(2).

Example 2: Article IV, Section III, Subsection (a), Number (1) of the Election Regulations.
V S.G.A.C. §101.4(3) (a)(1).

Example 3: Article IV, Section II, Subsections (a)-(d) of the Senate Bylaws.
III S.G.A.C. §001.4(2) (a-d).

Example 4: Article V, Sections III-V of the Judicial Branch Bylaws.
III S.G.A.C. §003.5(3-5).

Example 5: Article V, Sections II and IV of the SGA Allocations Regulations Act.
V S.G.A.C. §201.5(2,4).

Example 6: Article V, Section I and Article VI, Section II, Subsection (a) of the constitution. (*note the comma*)
II S.G.A.C. §001.5(1), §001.6(2) (a).

Example 7: Article V of the constitution and the Senate Bylaws as one cohesive document. (*note the semi-colon*)
II S.G.A.C. §001.5; III S.G.A.C. §001.

How to Use the Code

If you are searching for a particular document, it is recommended you utilize the Table of Contents on page vii. The code in its current format does not have an index of topics. If you should have any questions about a particular rule, you may consult with the Rules and Regulations Chair of the Student Senate, the Chief Justice of the Judicial Court, or another member of any branch of Government who is knowledgeable of or assigned to interpret rules. Finally, you may also consult the legislative history of all acts and bills passed by the Senate for recent changes. These changes that took place during the 65th Session of the Student Senate are noted below each chapter title listing amendments, including amendments from previous sessions of the Senate since March 11th, 2009 with the S.G.A.C. was created.

The Student Government Association Code is published monthly in electronic and physical form within the SGA office should it be amended during a particular calendar month at the discretion of the Rules and Regulations Chair. Should no amendment occur, the code will at least be updated on a yearly basis into a bound copy that is distributed to the Student Government Association Advisor and other officials during the Summer to maintain a reference copy. Funds for the creation of this code come from the budget of the Student Senate via SSFAB allocations or donations.

In closing, the rules enclosed in this code are not law in the same manner of which State Law or Federal Law governs citizens of the United States or any sub-division of Government. They only apply to the procedures and operations of the Student Government Association and when any individual student, administrator, or member of the general public, interacts with that organization. The binding power thus, of these regulations is very limited only to that scope. However, the creation of, execution of, and interpretation of the laws of this code follow the same general format of any republican Government in that the legislative branch (The Student Senate) creates laws (Acts/Statutes), the executive branch (The Student Body President) enforces those laws, and the judicial branch (The Judicial Court) interprets their enforcement and constitutionality in line with the constitution of the Student Government Association.

(h) Entering into agreements with entities outside the Student Government Association subject to ratification by a two-thirds (2/3) vote of the Student Senate membership present and voting at an announced meeting. (a) The Student Senate shall be composed of Academic Area, Living Area, and Freshman Senators. Academic Senators shall be elected by a plurality vote from their respective constituencies based upon college representation. Living Area Senators shall be elected by a plurality vote from their respective constituencies based upon their official residence. Academic Area Senators and Living Area Senators shall be elected during the spring student body elections as provided for by statute. Freshman Senators shall be elected at-large by a plurality vote of the Freshman Class during the fall student body elections as provided for by statute.

(b) The presiding officer of the Student Senate shall be the Speaker of the Senate, who shall be nominated and elected by a majority vote of the Student Senate membership present and voting at an announced meeting prior to the end of the spring academic semester. (1) All officers of the Senate shall remain Student Senators upon their election, but officers of the Senate may be removed from their officer position by a two-thirds (2/3) vote of the Student Senate membership present and voting at an announced meeting.

(c) If the Speaker of the Senate is unable to fulfill the duties of office, or upon their removal or resignation from office, the Speaker Pro-Tempore shall fulfill those duties until a new Speaker can be elected from the Student Senate membership present and voting at an announced meeting. In the absence of the Speaker Pro-Tempore, such duties shall fall to the Chair of Rules and Regulations and then to the remaining officers of the Senate provided for in the Student Senate Bylaws in an order provided for in the Student Senate Bylaws.

(d) The term of each session of the Student Senate shall begin and end during a final general assembly meeting during the last fourteen (14) days of the spring academic semester every calendar year. The incoming Student Senate shall not begin its session until the outgoing Student Senate adjourns at the final called general assembly meeting. Should the outgoing Student Senate fail to make a quorum for longer than twenty (20) consecutive minutes during the final called general assembly meeting, it shall automatically be adjourned. Upon the adjournment of the outgoing Student Senate, the incoming Student Senate shall be transferred all duties and powers vested in the Student Senate under this constitution, unless otherwise provided for in this constitution. The incoming Student Senate may, however, after its election, meet in called general assembly meetings prior to the beginning of its session to conduct its officer elections, handle its internal business under the existing Student Senate Bylaws, appoint senators to and assign legislation to committees, and confirm appointments by the incoming Student Body President.

(1) The power of confirmation of Student Body President appointments shall vest immediately to the incoming Student Senate upon its election. Nothing in this Section, however, shall be construed as vesting the power to enact statutes, resolutions, constitutional amendments, or rules and procedures in the Senate Bylaws in the incoming Student Senate until the outgoing Student Senate is adjourned at the final called general assembly meeting.

(e) The right to vote in a general assembly meeting, special session, or committee meeting affecting acts, bills or resolutions, to sponsor bills and resolutions, to debate in a general assembly meeting or special session, and to make motions in a general assembly meeting or special session shall only extend to Student Senators. (1) A “statute” shall be defined as a rule, regulation, procedure, policy, or statement of the official opinion of the student body enacted by the Student Senate by act bill, or enacted by the student body through a referendum petition, that shall be binding on all individuals interacting with all branches and entities of the Student Government Association in accordance with this constitution.

(2) Codification. All statutes may either be codified into a common Student Government Association Code or may be uncodified.

(3) Codified Statutes. Statutes may be codified, but only if the act or the referendum petition enacting the statute expressly states which portion of the Student Government Association Code is amended, repealed, or created by the statute. Codified statutes shall not expire unless a provision within the statute provides for its expiration, it is repealed or superseded by a subsequently codified statute, or it is ruled unconstitutional by the Judicial Court in a case.

(4) Uncodified Statutes. All bills shall automatically expire at the conclusion of each corresponding session of the Student Senate unless the statute provides for its own, sooner expiration, it is repealed or superseded by any subsequent statute, or it is ruled unconstitutional by the Judicial Court in a case. The Student Senate may, by statute, vest authority in any part of the Legislative Branch or the Executive Branch for maintaining the Student Government Association Code.

(b) Enacting non-binding statements of the opinion of the Student Senate by resolution and a majority vote of the Student Senate membership present and voting at an announced meeting. All non-binding statements of the opinion of the Student Senate shall expire at the conclusion of each corresponding session of the Student Senate.

(1) The Student Senate may also exercise its power of ratification, confirmation of appointments, impeachment, or any other action authorized under the Student Senate Bylaws by resolution, which shall be binding and shall not expire except when the agreement ratified expires, the term of the office confirmed expires, or the action taken by the Student Senate provides for its own expiration.

(2) No resolution may exercise more than one power of the Student Senate, except that any resolution may exercise a single power of the Student Senate and enact a non-binding statement of the opinion of the Student Senate.

(c) Appropriating such funds and approving such student fees as may be placed at its discretion for such purposes as it may deem of service to the student body.

(d) Creating, organizing, and removing executive committees, commissions, and other executive offices; legislative branch commissions; and judicial branch committees, commissions, and other judicial branch offices by statute.

(e) Establishing such rules and procedures in the Student Senate Bylaws as are necessary to organize the Student Senate, to organize and govern its proceedings, to discipline its members, and to provide for any other rule or procedure expressly called for by this constitution by passage of an act, requiring a two-thirds ($2/3$) vote of the Student Senate membership present and voting at an announced meeting. Such rules and procedures shall not expire unless a provision within the rule or procedure provides for its expiration; it is repealed or superseded by a subsequent rule or procedure adopted by the Student Senate; or it is ruled unconstitutional by the Judicial Court in a case.

(1) All other rules and procedures relating to the Student Senate, or the Legislative branch may only be enacted by statute.

(f) Apportioning itself annually in the Student Senate Bylaws. Such apportionment must be in accordance with the provisions of this constitution and must be approved by two-thirds ($2/3$) vote of the members present and voting at an announced meeting.

(1) The Student Senate may alternatively, by statute, vest the filling of vacancies in the Student Senate membership with the student body by special election of the vacant Student Senate seat's constituency.

(2) Upon their election and certification by the Chief Justice, senators filling vacancies or Freshman caucus seats must be sworn in immediately following opening roll call of the next general session meeting and given full status as a Student Senator, granting them all rights and privileges therein.

(h) Overriding the veto of the Student Body President on any statute by a two-thirds (2/3) vote of the membership present and voting at an announced meeting. In the case of a constitutional amendment, a three-fourths (3/4) vote of the Student Senate membership present and voting is needed to override a Student Body President veto. Any vetoed act or bill shall be automatically placed on the next Student Senate general assembly meeting's agenda and classified as old or unfinished business. The Student Body President shall be granted at least five (5) minutes to explain the reasoning for their veto of any statute or constitutional amendment immediately preceding the Student Senate's consideration of whether to override the Student Body President's veto.

(i) Special Sessions may be called by the Student Body President, the Speaker of the Senate, or by a petition to the Speaker, signed by one-third (1/3) of the Student Senate membership. Such calls or petitions may only generate announced meetings.

(j) Calling a general referendum of the student body by bill and a majority vote of the Student Senate membership present and voting at an announced meeting in order to render a decision regarding a proposed Uncodified Statute. Calling a general referendum of the student body by bill and a two-thirds (2/3) vote of the Student Senate membership present and voting at an announced meeting in order to render a decision regarding a proposed Codified Statute. No bill for referendum may present both a Codified and Uncodified Statute to the student body for a decision.

(1) Proposed constitutional amendments, if approved by a two-thirds (2/3) vote of the student body voting in an announced student body wide election, shall be binding as if passed by the Student Senate and signed by the Student Body President. Such constitutional amendments may not be repealed or amended by the Student Senate until at least one (1) calendar year after the referendum enacting the constitutional amendment, unless the repeal or amendment occurs through any later referendum.

(2) Nothing in this subsection shall be construed as allowing the Student Body President to veto any bill calling for a referendum of the student body on any proposed statute or constitutional amendment.

ARTICLE IV. JUDICIAL BRANCH

SECTION I. All judicial powers shall be vested in the Judicial Court of the Student Government Association of Texas A&M University.

(a) The powers of the Judicial Court shall extend to any case between any student and any member of the Student Government Association in regards to: this constitution; any statute; any rule or procedure enacted pursuant to this constitution or any rule or procedure enacted pursuant to this constitution or any statute; or any action or inaction authorized by the same and executive agreement.

(b) The Judicial Court shall consist of nine (9) Justices.

(c) The Justices of the Judicial Court shall be appointed to serve permanently for as many terms of the Judicial Court as they wish to remain in office, provided that the Justice continues to meet all grade and eligibility requirements for their office and is otherwise not removed from office by resignation, by violating the Judicial Court's attendance policy, by entering as a candidate for a position in SGA governed by the Election Commission or by impeachment. Justices shall be appointed by the Student Body President and confirmed by a two-thirds (2/3) vote of the Student Senate membership present and voting at an announced meeting.

(1) The office of Chief Justice shall be subject to re-appointment for each subsequent term of the Judicial Court.

(2) The Chief Justice shall appoint such other officers and members of the Judicial Branch as may be established by the Student Senate by statute, which shall serve in accordance with the statutes, unless the Student Senate, by statute, vests their appointment in the Student Body President or the Justices of the Judicial Court.

SECTION III. The duties and powers of the Judicial Court shall include:

(a) Ruling on any case by a majority vote of the Justices of the Judicial Court hearing the case. All rulings shall be accompanied by, at minimum, a majority opinion stating the ruling, the judgment imposed, and the reasoning of the majority. Rulings may also be accompanied by the reasoning of any plurality, concurring, or dissenting opinions in whole or in part. All opinions shall also, at minimum, clearly designate the names and signatures of the Justices of the Judicial Court joining the particular opinion, the name(s) of the parties, and the date and time of the decision.

(b) Establishing such rules and procedures for the Judicial Branch as may be authorized under, and in accordance with, the statutes through a two-thirds (2/3) vote of the Justices of the Judicial Court signing a judicial order amending the Judicial Branch Bylaws. Such rules and procedures shall not expire unless a provision within the rule or procedure provides for its expiration; it is repealed or superseded by a subsequent statute enacted by the Student Senate or a subsequent rule or procedure adopted by the Judicial Court authorized under, and in accordance with, the statutes; or it is ruled unconstitutional or contrary to the statutes by the Judicial Court in a case.

(1) Notwithstanding Subsection (b) above, the Judicial Court shall retain the sole power to establish rules and procedures in the Judicial Branch Bylaws governing the following specifically enumerated topics:

(i) The Judicial Court's closed internal deliberations after hearings are concluded; and,

(3) Bylaws enacted or established after a case is pending before the Judicial Court may apply to that particular case, its hearings, or its re-hearings.

(4) Any statute regulating the rules of procedure or evidence for hearings shall be enacted by a two-thirds (2/3) majority vote of the Student Senate membership present and voting at an announced meeting and shall be subject to a three-fourths (3/4) veto override by the Student Senate.

(2) No individual enumerated in this subsection may exercise any power under this constitution, any statute enacted by the Student Senate, or any rule or procedure enacted pursuant to this constitution or any statute, except after taking the oath of office under this subsection.

(d) Declaring by binding judicial order that: any statute any rule or procedure enacted pursuant to this constitution or rule, or procedure enacted pursuant to any statute or any action or inaction authorized by the same; is repugnant to this constitution, should such issue arise in a case. However, such declaration shall include, in writing the express provision of this constitution which shall be in conflict.

(1) The preamble of this constitution, or any other item of legislation shall not be considered in determining whether any of the preceding are repugnant to this constitution.

(2) The Judicial Court shall in all cases rule: any statute; any rule or procedure enacted pursuant to this constitution or any rule or procedure enacted pursuant to this constitution or any statute; or any action or inaction authorized by the same; as constitutional if any provision of this constitution authorizes it and no provision of this constitution prohibits it.

(3) Nothing in this Article shall be construed, however, as vesting in the Judicial Court the power to compel the Student Body President, the Student Senate, any other entity of the Student Government Association, or the student body to exercise any un-qualified discretionary power expressly listed under this constitution, including, but not limited to, compelling the Student Senate to enact any statute, rule or procedure, or constitutional amendment unless this constitution expressly requires the Student Senate to do so; to impeach, remove, or otherwise discipline any individual of any branch of government except for provisions contained in this Article; to ratify any agreement entered into by the Student Body President; or to confirm any nominee.

(b) No student shall be sworn in as a senator who has applied for graduation in the same semester in which they filed for election. If a Senator-elect is ineligible under this rule, the next eligible candidate who received the highest amount of votes in that caucus shall be sworn in instead. This rule shall not apply to those students who have been accepted to or have applied to and are awaiting a decision on additional schooling at Texas A&M University in their caucus in the following regular semester; those students must sign a statement under penalty of the Aggie Honor Code that they have applied to or been accepted to additional schooling at A&M in the following semester and have not accepted any other offers.

(4) The jacket or sports coat may be removed for comfort throughout the meeting, as well as a loosening of the tie. Shirts should remain tucked in throughout the duration. Hats and cultural attire may be worn as long as they meet professional standards. Mini-skirts, sun dresses, beach dresses, spaghetti strap dresses, strapless blouses, and strapless dresses are inappropriate and unprofessional. Clothing must be modest. Proper dress attire must be worn before gaining recognition if these items were removed during the meeting. Failure to adhere to the dress standards outlined will result in a loss of speaking privileges.

(c) Senator Recognition - When recognized by the chair the Senator shall stand, address the chair or presenter, state their name and caucus represented, and proceed. Failure to adhere to protocol will result in a call to order by the chair, followed by loss of speaking privileges on the third call to order. Further attempts to speak out of order will result in the chair's decision to censure the voting privileges of the member, thereby resulting in their official absence for the duration of the meeting. The body reserves the right to "Appeal to the Decision of the Chair" if they feel the chair's decision is biased or inappropriate.

(d) The "seating area" of the room in which a general assembly meeting is held shall be defined as the area of and immediately behind all rows of chairs or benches on which Student Senators are assigned to sit, as well as any aisles leading to those areas. The "floor" of the room shall be defined as the area between the Speaker and the body assembled on which individuals are allowed to speak and present.

(1) No individuals who are not Senators shall be allowed to sit in the seating area without permission from the Speaker or a two-thirds (2/3) vote of the Student Senate membership present and voting at an announced meeting.

(2) During periods of debate, no individuals who have not been recognized may be present on the floor of the Senate meeting room. During other periods, only those individuals who have speaking privileges may be present on the floor of the Senate.

(3) Prior to each meeting, the Speaker Pro Tempore shall assign seats to each individual Senator. The Speaker Pro Tempore shall make every effort to accommodate individual Senators' needs and preferences, and to keep caucuses as close together as possible. After opening roll is taken, Senators may move into seats that belong to Senators who were not present for opening roll call.

(4) Individuals who do not have speaking privileges may be ordered to leave the room by the Speaker if they make excessive noise or are disruptive during the meeting.

(5) Rules about seating and presence on the floor shall not apply to members of the Operations Committee.

(6) All Senators are expected to behave respectfully and in accordance with university policies while attending Senate events and meetings. All Senators should encourage politeness and proper citizenship within the organization.

SECTION II. Attendance Policy

(a) If a Senator exceeds six (6) unexcused absences or eleven (11) total absences during one full session of the Senate, the Speaker Pro Tempore must through written communication inform the senator of their status in violation of the attendance policy and give the senator forty-eight (48) hours, only including Monday through Friday, but not over university breaks, to respond and indicate their intention to remove absences from their record and maintain their seat. If the Senator so chooses to remove absences from their record, after communicating to the Speaker Pro Tempore, it is their responsibility to communicate with the Constituency Affairs Chair regarding an action plan, within twenty-four (24) hours. The action plan must consist of the various options below to remove absences. The senator will have three (3) academic weeks to complete the plan established with the Constituency Affairs Chair. If after the three (3) academic weeks the Senator is not compliant with the attendance policy, the Senator will be immediately removed from office.

(1) A senator shall have an unexcused absence removed from their record if they complete two (2) hours of tabling for the Student Senate on days established by the Constituency Affairs Chair. If the senator has no remaining unexcused absences on their record, an excused absence will be removed.

(2) A senator may also have an unexcused absence removed from their record if they talk with two (2) different student organizations recognized by the Department of Student Activities, two (2) different members of upper faculty within their College regarding a constituent issue, or two (2) different members of University Administration regarding a constituent issue. Senators must receive a signature and contact info (either phone number or email) from a member of that organization or proof of meeting, along with providing a summary of the meeting of the Constituency Affairs Chair. The Constituency Affairs Chair should verify that they have attended these meetings with the organization. If the senator has no remaining unexcused absences on their record, an excused absence will be removed.

(i) Prior to conducting any meeting, the Senator must compile a list tailored towards the respected organization detailing issues that they're facing, possible solutions, and any other relevant information regarding the respected organization and its relation to its members, the university, the community, and the Texas A&M Student Government Association. The Senator must send the compiled list referenced above to the Chair of Constituency Affairs for review.

(3) A Senator may have an unexcused absence removed if they attend a committee, special committee, or subcommittee meeting of the Legislative branch other than the one which they serve on. If the Senator has no remaining unexcused absences on their record, an excused absence will be removed.

(b) An excused absence shall be defined as an absence that the officers of the Senate deem of merit. All excused absences must be approved by a majority vote

of those present and voting of the Internal Affairs Committee.

(c) All absences are to be considered conditionally unexcused. For an excused absence to be granted, the Senator must show reasonable cause for the absence. The Senator must present their case to the Speaker Pro Tempore within forty-eight (48) hours for a determination of the status of the absence in question.

(d) Two roll calls will be taken during the General Assembly meetings of the Student Senate, after calling the meeting to order and prior to adjournment. If a motion to adjourn is approved by the body, the second roll call will take place immediately after the motion to adjourn but before the body is declared adjourned. Missing one (1) roll call will result in one (1) absence.

(e) Committee Chairmen shall be responsible for holding a meeting between each Senate meeting. In the event that a Committee Chairman considers meeting unnecessary, they shall report such to the Speaker Pro Tempore and announce the cancellation at the prior week's Senate meeting.

(1) Excused and unexcused absences must be reported by the committee chair to the Speaker Pro-Tempore prior to the next announced general meeting.

(2) Excused and unexcused absences for committee meetings shall be defined by the respective committee chair, and the committee chair will have discretion on what is an absence of merit to be excused.

(3) If a committee chair does not turn in an attendance sheet for a committee meeting before the next announced general assembly meeting, or fails to hold a committee meeting in any period between two general assembly meetings without cancelling that meeting in the manner prescribed above, the committee chair, shall receive one (1) absence regardless of their attendance at any committee meetings during that time.

(f) Committee Chairs shall be required to attend all Internal Affairs Committee Meetings. Failing to attend an Internal Affairs Committee Meeting without an approved excuse shall result in one (1) absence. Similar to legislative committees, the Chair of the Internal Affairs Committee will have discretion on what is an absence of merit to be excused or unexcused.

(g) Caucus Leaders shall be required to attend all Caucus Leader Meetings Chaired by the Constituency Affairs Chair. Failing to attend a Caucus Leader Meeting without an approved excuse shall result in one (1) absence.

(h) All absences that have bit been removed through a method described in this section shall remain attached to Senators through the entire Senate Session, regardless if they are to change positions within the Senate.

SECTION III. Disciplinary Motion to Censure

(a) **GROUNDS FOR CENSURE.** The Student Senate may censure any Senator, Ex-Officio Officer, Liaison, or other official serving in the Legislative Branch for failure to uphold the duties or honor of their office, improper conduct, or any other grounds for impeachment.

(b) **MAIN MOTION AND EXECUTIVE SESSION.** The motion to censure shall be a main motion requiring a one-fifth (1/5) second and a two-thirds (2/3) vote of the Student Senate membership present and voting at an announced meeting. The motion shall move the Senate into executive session upon receipt of the required second until the motion to censure and any motion for additional punishment are

completed.

(c) **LIMIT ON MOTION.** Only one individual may be the subject of a motion to censure at a time, an individual may only be the subject of a motion to censure once for any particular offense or charge, and an individual may be the subject of a motion to censure only once per any general assembly meeting.

(d) **DISQUALIFICATION OF CHAIR.** Should the Speaker of the Senate be the subject of the motion to censure, not be present, or have made or seconded the motion, they shall be disqualified from presiding over the motion, and the Speaker Pro Tempore shall chair the disposition of the motion. If the Speaker Pro Tempore is disqualified for any of the same reasons as the Speaker of the Senate, then the Rules and Regulations Chair shall chair the disposition of the motion. If all of the above mentioned individuals are disqualified, the Senate shall nominate and approve a Senator to preside over the motion who shall not be disqualified.

(e) **PROCEDURE FOR THE MOTION TO CENSURE.** Upon completion of the qualification of the presiding chair,

(1) The moving Senator shall have a five (5) minute presentation period outlining the grounds for the motion to censure, followed by a three (3) minute period of question and answer. The individual subject to the motion to censure will then have the same allotment of time for a defending presentation and question and answer period. There shall be no rules governing the content of any presentation, except that such content shall not violate any standing rules of the Senate or Robert's Rules of Order on decorum.

(2) A ten (10) minute period of debate will then follow. The movant and individual subject to the motion for censure will be given no special or superseding right in debate.

(3) All presentations, question and answer, and debate periods will be held in accordance with the Standing Rules of Debate as provided for in these Bylaws.

(4) Voting shall be conducted by secret ballot vote, with no privilege of moving otherwise.

(f) **MOTION TO RECONSIDER.** A motion to reconsider is not in order upon passage of a motion to censure.

(g) **AUTOMATIC PUNISHMENT.** Should the motion to censure pass, the individual censured shall automatically lose all speaking and debate privileges and the right to make motions for the remainder of the general assembly meeting, except to debate for or against any additional punishment moved for as provided in this Section, to debate for or against any motion to amend or remove censure.

(h) **PROCEDURE FOR THE MOTION FOR ADDITIONAL PUNISHMENT.**

(1) The Senator who made the motion to censure, upon its passage, may make one (1) motion for additional punishment to the Senate according to the restrictions on punishment below, which shall not require a second, but shall be subject to a period of five (5) minutes of debate, shall be amendable by formal amendment subject to the restrictions on punishment in Subsection (i), and shall require a two-thirds (2/3) vote of the Student Senate membership present and voting at an announced meeting.

(2) Should the Senator who made the motion to censure not make a

motion for additional punishment, any Senator may make a motion for additional punishment. In no case, however, shall there be more than one (1) motion for additional punishment considered for any censured individual.

(i) RESTRICTIONS ON ADDITIONAL PUNISHMENT. Additional punishment for a censured individual shall be limited to any individual or combination of punishments listed below:

(1) Loss of speaking privileges for any number of subsequent meetings.

(2) Loss of question privileges for any number of subsequent meetings.

(3) Loss of debate privileges for any number of subsequent meetings.

(4) Loss of the right to make motions for any number of subsequent meetings.

(j) MOTION TO AMEND OR REMOVE CENSURE. Any additional punishment received by motion may be amended or removed by a subsequent main motion to amend or remove censure requiring a one-fourth ($1/4$) second and a two-thirds ($2/3$) vote of the Student Senate membership present and voting at an announced meeting to pass. Such a motion shall require a one-third plus one ($1/3 + 1$) second and a two-thirds ($2/3$) vote of the Student Senate membership present and voting at an announced meeting to pass if it is made during the same general assembly meeting as passage of the related motion to censure.

(1) The motion shall move the Senate into executive session upon receipt of the required second until the motion is completed.

(2) The motion shall be disposed of according to the procedures for a Motion to Censure, except all time limits shall be half ($1/2$) of their enumerated length.

(k) RECORDING. Only the outcome of a motion to censure, a motion for additional punishment, and a motion to amend or remove censure shall be in the minutes, including the movant, the individual subject to the motion, any punishment rendered under this Section, and the voting record.

(l) ENFORCEMENT. All punishments shall be enforced by the Speaker of the Senate or the Rules & Regulations Chair for the duration of the session of the Student Senate. Failure to adhere to a punishment approved by this Section, and by the Senate for additional punishments, shall be grounds for impeachment or removal through any relevant provision under the Student Senate Bylaws. Should the Speaker of the Senate be the subject of the motion to censure, punishments shall be enforced by the Rules and Regulations Chair.

(m) RIGHTS RETAINED TO INDIVIDUALS. Nothing in this Section shall be construed as to prohibit any censured individual from attending any Senate committee meeting, assembly meeting, or event, being counted present at such a meeting or event. Nothing in this Section shall also be construed in the case of a censured Student Senator as prohibiting the Senator from authoring or sponsoring legislation or voting after the punishment period has elapsed. Any individual censured by the Senate shall retain their office.

(b) **MAIN MOTION AND EXECUTIVE SESSION.** The motion for a vote of no confidence shall be a main motion requiring a one-fourth (1/4) second and a two-thirds (2/3) vote of the Student Senate membership present and voting at an announced meeting to pass. The motion shall move the Senate into executive session upon receipt of the required second until the motion is completed.

(c) **LIMIT ON MOTION.** Only one individual may be the subject of a motion for a vote of no confidence at a time, an individual may only be the subject of a motion for a vote of no confidence once for any particular offense or charge, and an individual may be the subject of a motion for a vote of no confidence only once per any general assembly meeting.

If the Speaker Pro Tempore is disqualified for any of the same reasons as the Speaker of the Senate, then the Rules and Regulations Chair shall chair the disposition of the motion. If all of the above mentioned individuals are disqualified, the Senate shall nominate and approve a Senator to preside over the motion by a majority vote of the Student Senate membership present and voting at an announced meeting who shall not be disqualified.

The officer position shall be declared vacant and filled according to the procedures for filling a vacancy for the position under these Bylaws.

ARTICLE VI. LEGISLATION

SECTION I. Legislation

(a) Any student or students may introduce a resolution or bill for consideration by the Student Senate. These students will be credited as “Authors” in the legislation. If any Author holds a title at Texas A&M University, that title may be included on the legislation. Only Student Senators of the current session may serve as Authors of acts.

(b) To be brought to the floor for a first presentation, three (3) or more Student Senators must sponsor the act, bill, or resolution. They will be credited as “Sponsors” in the legislation at the consent of the Authors. Should a Sponsor also be an author of the bill they will only be credited as an Author. Each bill, act, or resolution requires at least three (3) Sponsors to be listed as “Sponsor” on the legislation.

(c) The number of Authors and Sponsors on the title page of any piece of legislation shall not exceed ten (10). If desired, an addendum of additional sponsors may be attached to any piece of legislation. Such an addendum may also include the signatures of the legislative sponsors, should that be desired by the sponsor.

(d) Legislative Authors will have speaking privileges for the entire consideration of the legislation, but only Senators may participate in periods of debate. The Legislative Authors will also retain the privilege to set which

sponsors are included on the title page so long as they set those individuals before the legislation is passed. Sponsors added by an amendment must be added in the order in which their request to sponsor is received by the Chair.

(e) Any student or students intending to lobby or represent the Texas A&M University Student Senate with the authority of a passed bill, resolution, or act who is not a Student Senator or a member of the Executive Cabinet must be accompanied by an appropriate Senator or member of the Executive Cabinet.

(f) All legislation shall be made available to the members of the Senate, no less than twenty-four (24) hours prior to the start of the Senate meeting at which time it is to be considered.

(g) All legislation, which could potentially alter or modify the code in any way, must be sent to the Rules and Regulations Chair for proofreading, prior to its second presentation on the senate floor. The Rules and Regulations Chair will not have the ability to modify the content of the act bill.

(h) Legislation must be read in its entirety if requested by one-sixth ($\frac{1}{6}$) of senators present and voting or if the legislation is brought up in Open Session.

(1) Bills: A bill is a binding statement of the Senate calling for a specific action in its implementation. A bill requires a majority vote of the members present and voting. A bill must be presented to the Senate for the first presentation and may be voted on only upon its second presentation unless it is considered emergency legislation. A bill's first presentation shall consist of a presentation and a period of questions and answers only, with no debate except in the case of emergency legislation as outlined above. At the conclusion of a bill's first presentation, the Speaker of the Senate shall assign the bill to the appropriate legislative committee as outlined in Article VII, Section I, Subsection (e) of the Senate Bylaws. Each bill must pass through this committee process before being brought to the floor for a second presentation unless a motion to take the bill from committee to the floor as outlined in Article VII Section II is approved by a two-thirds ($\frac{2}{3}$) majority of the Senate. A bill must be in its finalized form when it comes up for a first presentation. All changes made between the first and second presentation of a bill must be highlighted on the document when it is sent out to the Senators and when it is brought to the floor for the second presentation. During the second reading, the bill author(s) must accentuate to the body the changes made in their presentation since the first presentation. The markings signifying changes will be removed once the bill is passed or failed for archiving purposes. Bills will only be enacted and enforced in which the session it was passed.

(2) Acts: An act is written to permanently alter the Student Government Association Code; until repealed, removed, or replaced by another act or amended temporarily by a bill. An act requires a two-thirds ($\frac{2}{3}$) majority vote of the members present and voting. An act's first presentation shall consist of a presentation and a period of questions and answers only, with no debate. After the first presentation, the act will be sent to the committee in which the Speaker deems most appropriate. Each act must pass through this committee process before being brought to the floor for a second reading unless a motion to take the act from committee

to the floor as outlined in Article VII Section II is approved by a two-thirds (2/3) majority presentation and voting of the Senate. All changes made between the first and second reading of an act must be highlighted on the document when it is sent out to the Senators and when it is brought to the floor for the second presentation. An act may only be voted on after its second reading. The markings signifying changes will be removed once the act is passed or failed for archiving purposes.

(3) Resolutions: A resolution is a non-binding statement of opinion of the Student Senate. A resolution requires a majority vote of the members present and voting. A resolution may be voted upon at the meeting in which it is introduced and is not subject to approval or veto by the Student Body President.

(4) Consent Resolution: A consent resolution is a resolution, as defined in (3) above. A consent resolution will not be open to questions and answers, presentation, or debate. The floor will be open for motions only. Consent resolutions shall be considered such by unanimous consent. If any senator objects to the consideration of any Consent Resolution, they may move to remove that piece or pieces from the Consent Agenda at any point before a vote is called. This requires a $\frac{1}{2}$ vote, and if successful, will remove those pieces from the Consent Agenda, and into their appropriate category, either New Business or Old Business. An additional motion would then be required to table, send to committee, or remove the piece from the agenda altogether.

(i) For any legislation written such that a copy of the legislation is sent to an organization or individual that is outside of the Student Government Association, the legislative authors must compile a list of the recipients along with all formal titles and contact information, such as an email or mailing address, to the Speaker pro tempore. The Operations Committee will not send any legislation that does not comply with this regulation, or if the contact information is deemed inadequate or unprofessional by the Speaker Pro Tempore.

(j) All legislation passed by the Senate subject to Presidential Approval shall be certified by the Speaker on all pages and forwarded to the Student Body President for approval within two (2) class days.

(k) All legislation passed by the Senate not subject to Presidential Approval, failed by the Senate, or referred to committee or tabled by the Senate and never returned to the floor by the end of an academic semester, shall be certified on all pages by the Speaker within two (2) class days.

(l) For any act or bill written such that it affects the operations or processes of an executive committee, the chair of the committee and the Operations Executive Vice President or cabinet liaison to the committees will be sent a copy of the act or bill at least one (1) day prior to the senate meeting in which the first hearing of the act or bill will occur.

(e) The Election Commission shall not consider or vote upon any reported violations until after the filing deadline, unless the Election Commissioner determines that failing to consider a reported violation would harm the integrity and legitimacy of the election regulations.

SECTION V. The Election Commission shall collect all fines in its Student Organization Financing Center account.

ARTICLE VII. FINANCE

 - (i) Lack of submission of a complete finance form shall be understood as an affirmation that no campaign materials were used.
 - (ii) Should evidence be submitted that a candidate utilized campaign materials but did not submit a complete finance form, the candidate shall be disqualified.
 - (2) A complete finance form is defined as:
 - (i) Any campaign material obtained through a monetary transaction or exchange of value, either before or briefly after its use, regardless of the amount exchanged, shall be classified as 'purchased.' However, if it is determined that the value exchanged is an unreasonably significant deviation from the fair market value, as determined by the standards of a majority of reasonable people, the election commission may assess the item's value based on fair market value rather than the exchanged amount. Campaign materials received without a monetary transaction or exchange of value shall be classified as 'donated.'
 - (ii) A finished and signed expense report (Sections A,B,C), receipts, and Fair Market Value Form.
 - (3) The term "expenditure" is defined as the fair market value or actual cost, depending on the appropriate circumstance, of all campaign materials used or obtained by any candidate in their campaign and any fines incurred by the candidate. To be considered valid, a receipt must have all of the following qualities:
 - (i) Vendor with contact information
 - (ii) Date of purchase.
 - (iii) Verification of amount being paid in full
 - (iv) Itemized list of purchases
 - (4) Actual cost is defined as the cost as enumerated on an official sales receipt including the cost of tax.
 - (5) Fair market value is defined as the cost available locally to any given student within the Bryan/College Station area.
 - (6) Tax shall not be included in the fair market values assessed by the Election Commission, but it must be applied at a rate of 8.25% on the expense report.
 - (7) Uniforms, polos, t-shirts, badges, nametags, and other resources provided to the candidate during their incumbency should still be expensed if used for campaigning. Candidates do not have to expense the Corps of Cadets Uniform.

- (8) Candidates must use the following system when determining the expensed cost of materials:
- (i) All campaign materials must be expensed at actual cost.
 - (ii) All donated materials are to be expensed at fair market value, regardless of quality.
 - (iii) Rented items are to be expensed at fair market value, regardless of quality.
- (9) It is the responsibility of the candidate to assess a fair market value for any donated campaign materials or campaign materials used without any proof of payment. This shall be done by filling out the Fair Market Value Assessment Form provided by the Election Commissioner. Fair Market Values must be assessed using two (2) vendors. If a candidate lists less than the required amount of acceptable vendors, the candidate shall receive a minor violation. This form shall serve as the receipt for donated items and must be included in the submitted finance form.
- (10) Candidates must list the entire cost of each individual expense that results in campaign material that in any way suggests support for their candidacy.
- (11) Budgets from two (2) or more candidates may not be combined in any way.
- (12) The term “campaign materials” shall be defined by Article 4 Section 3 Subsection a.
- (13) Shipping and handling costs need not be expensed for any item.
- (b) Candidates running in more than one (1) race in any one election cycle shall be identified as a separate candidate per race and must submit a finance form for each race.

- (c) All candidates filed under a major race will have a budget of \$3000.

- (b) Items that have been used in campaigning in any way, shall be considered necessary for expensing and such items shall be included in audit procedures.
- (c) Items to be expensed shall include, but not be limited to, items that fit the following criteria:
 - (1) The item meets the description of campaign material as defined in Article IV Section III Subsection a.
 - (2) The item cannot be accessed for free by the regular student.

SECTION II. Transparency

(a) The Election Commission shall make all candidates' finance forms publicly available on the official Election Commission website before 7:00 p.m. on the first day of voting.

(b) Inaccuracies or omissions suspected in campaign budgets may be reported to the Election Commission in the same way that finances are reported. The complainant must include material or photographic clear and convincing evidence of the error for it to be considered by the Election Commission. All such complaints about a posted budget must be made before 7:00 p.m. on the second day of voting

ARTICLE IX. VOTING

SECTION I. General

(a) Elections shall be conducted online using a secure and private method. Ballots shall be organized and marked in a manner designated by the Election Commission. Students may vote only once and only with their own Net ID and password. Duplicate ballots and those not complying with these requirements shall be voided.

(b) Students voting fraudulently may be subject to sanctions by the Election Commission, and the university.

(c) The Election Commission shall make every attempt to conduct voting in a way free from coercion or pressure. Those obstructing the free and fair nature of the voting process, by which voters may cast a ballot by free choice, are in violation of these regulations.

SECTION II. Voter Qualifications

(a) A voter must be an enrolled student at Texas A&M University in College Station, Bush School, Law School or Health Science Center

(b) A voter must have a valid Texas A&M University ID number for the current year.

SECTION III. Ballots

(a) The Election Commission shall post the sample ballot for the purpose of correcting errors on or before the Friday following the mandatory candidates' meeting by 9:00 a.m. If a candidate does not appeal any error on the sample ballot by 5:00 p.m. that day, they loses their right to appeal on this issue.

(b) The sample ballot shall not be used for any voting. It shall only be used for a candidate to verify that their name and caucus have been properly recorded for the election process, and for other administrative purposes as needed by the Election Commission.

(c) The Election Commission shall post the final sample ballot for any election at least four (4) class days prior to the election onto the official Election Commission website.

(d) Candidates who are disqualified at least seven (7) days prior to the start of voting may appeal that disqualification to the Judicial Court immediately. The Election Commission shall remove all such disqualified

candidates who fail to do so from the final sample ballot. Candidates who are disqualified after that time shall not be removed from the ballot under any circumstances, and the disqualification shall not be publicized by the Election Commission until the announcement of unofficial results after voting has taken place. The Election Commission may privately notify any candidate of the grounds of their disqualification immediately after that decision is reached by the Election Commission.

(1) Candidates may withdraw from the election at any time in writing via email to the Election Commissioner. Withdrawal from the election may not be rescinded by a candidate once submitted. The Election Commission may only remove a candidate from the ballot within the 7 days prior of voting opening upon receiving an emailed request for withdrawal from the candidate. Candidates who withdrew will be marked as “withdrawn” in the final results and will be eliminated following the conclusion of voting.

(2) Candidates who have been disqualified are ineligible to win as a write-in candidate for the race in which they were disqualified during that election cycle.

(e) No phrases or slogans may be attached to a candidate's name on the ballot. The name that will appear on the ballot must be the name for which the candidate is normally known in a professional or academic setting.

(f) An employee of the Division of Student Affairs shall maintain the online ballot.

SECTION IV. Election Dates

(a) General Elections

(1) Voting days of the spring general elections shall begin on Thursday at 9:00 a.m. and end on Friday at 12:00 p.m.

(2) The dates of the fall general elections shall be set by the Election Commissioner who is in office during that fall.

(3) All election dates shall be announced via campus-wide email at least one (1) week before the start of filing, and again on the day that filing opens.

SECTION V. Changes

(a) The Election Commissioner has the authority to change the dates of an election if unforeseen circumstances arise that would warrant such a change with notification of the Student Government Advisor, the Senate, the Student Body President, and all candidates.

SECTION VI. Instant Runoff Voting

(a) Instant Runoff Voting is a method of voting in which voters rank candidates from most-preferred to least-preferred in the general election. Losing candidates are eliminated one by one in rounds, and ballots cast for them are reassigned to their voters' next choice, until the final number of winners is reached.

(1) The following definitions shall be ascribed to these terms in this subsection:

(i) Ballot: A ranking of any or all candidates cast by a voter in one race. During any given round, each ballot shall be counted as a vote for the candidate or candidates ranked highest on that ballot, who is neither disqualified nor eliminated.

(ii) Round: Any count of ballots cast.

(iii) Elimination: Occurs when a candidate is most-preferred by the fewest voters in a round. This is not the same as disqualification, but prevents a candidate from being counted in future rounds in that race.

(iv) Exhausted Ballot: A ballot in which all candidates ranked are either disqualified or previously eliminated. Exhausted ballots shall not be counted in any given round. This will not occur on any voter's ballot if that voter assigns a ranking to all candidates in a race.

ARTICLE X. PROCEDURES – SINGLE SEAT RACES

SECTION I. At the point of voting, all voters shall be presented with a list of candidates running for each race, as well as spaces for the allowed number of write-ins (equal to the number of winners for that race). Voters shall be allowed to rank those candidates and write-ins from one (1) for most-preferred to the number of candidates on the ballot plus the number of write-ins for least preferred.

(a) Example: in a race in which eight (8) candidates are running for one (1) seat, the number of write-ins allowed would be one and the rankings would go from one (1) [most preferred] to nine (9) [least preferred], for the eight (8) candidates on the ballot plus the one (1) write-in.

(b) Before rounds begin, all disqualified candidates shall be eliminated and all candidates, including write-in candidates, who receive fewer than one percent (1%) of the total number of ballots cast in a race shall be eliminated.

(c) In the first round, all candidates shall be ordered by the number of ballots that are counted as votes for them (they are ranked most preferred after removing eliminated candidates). The candidate who receives the fewest votes is eliminated. Exhausted ballots shall not be counted.

(d) If necessary, a second round shall take place by the same procedure. Additional round shall be counted by this same process until the number of candidates who have not been eliminated or disqualified is equal to the number of winners. Those candidate(s) shall be declared the winner(s) of that race.

(e) If two (2) or more candidates in a round are exactly tied for last place, they shall all be eliminated unless that would result in the number of candidates falling below the number of winners. In that instance, the remaining candidates shall be declared as the winners, and the outgoing session of the Student Senate shall resolve the tie by a majority vote at its next regularly scheduled general meeting in accordance with its rules for officer elections.

(f) Candidates on the ballot for a race are ineligible to receive

write-in votes for that race. Write-in votes will not be counted in the total amount of votes a candidate already on the ballot has received.

SECTION II. Locations

(a) The official polling place for elections shall be online at *vote.tamu.edu* for the fall and spring general elections.

(b) Physical polling locations may be added at the discretion of the Election Commissioner with notification to the Senate, Student Body President, and all candidates. These locations shall remain open for a maximum of two (2) class days for an election.

SECTION III. Results

(a) Results of each election shall be certified by the Chief Justice of the Judicial Court. This certification must occur once all outstanding appeals to the Judicial Court for a particular race have concluded, and no more appeals may be submitted. Once the results of an election are certified, no further challenges to the results of the election may be filed. The Chief Justice must certify each race as the preconditions listed above are met, to prevent a delay across all races.

(b) The Election Commission shall announce uncertified results of all elections no earlier than 7:00 p.m. on the last day of voting, and the results shall be posted on a website designated by the Election Commission, including a second document of final votes in the event disqualification(s) did not occur. Results are not official until certified by the Chief Justice of the Judicial Court. Results shall also be submitted to The Battalion for publication.

(c) The winners in elections other than Student Senate and Yell Leader elections are determined by the instant runoff process above.

(1) In the Student Senate elections, the winners shall be decided by a plurality vote. If there is a tie for the last remaining seat in a Senate constituency, the seat shall be decided by a public coin flip under the supervision of the Election Commissioner and the SGA Advisor.

(2) Ties for Yell Leader shall be resolved according to the Yell Leader Governing Documents without further use of SGA Election resources

SECTION IV. Judicial Court Appeal

(a) A candidate may contest a decision by the Election Commission at any time up to forty-eight (48) hours after the unofficial results are announced by filing an appeal with the Judicial Court stating the basis on which the election is contested.

(1) In any appeal concerning election fines, disqualifications, or the improper application of these Regulations, the defendant shall be the Election Commissioner.

(2) In any appeal challenging the constitutionality of any of these Regulations, the defendant shall be the Student Senate.

(3) In any appeal that would change the outcome of a race, the defendant shall be the election commissioner and not the winning

candidate in that race who would lose their status as the winner if the appeal were decided in favor of the plaintiff. The ruling of the Judicial Court on the outcome of the reported violations or other ground for the appeal shall be final and not subject to review by a subsequent appeal by the originally winning candidate.

- (i) The plaintiff may be required to name any or all of these parties as defendants under this rule depending on the circumstances of the appeal.

ARTICLE V. SUBMISSION OF PETITIONS

SECTION I. All referendum petitions and recall petitions must be returned to the Chief Justice in physical form at a location within the John J. Koldus building at Texas A&M University provided to the petitioner by the Chief Justice upon issuance of the petition. All referendum petitions and recall petitions are due fourteen (14) days after they are issued.

ARTICLE VI. CERTIFICATION OF SIGNATURES

SECTION I. All referendum petitions and recall petitions shall be certified by the Chief Justice within fourteen (14) days of their submission upon determining that the following has occurred:

 - (2) Only students who have provided the following information shall have their signatures counted as certified signatures:
 - (i) A signature;
 - (ii) A first and last name;
 - (iii) The last four digits of a UIN that matches the last four digits of the UIN for the first and last name provided; and,
 - (iv) A date by the signature that clearly indicates that the information was provided within the fourteen (14) day distribution time period for the petition.
- (b) Referendum Petitions
 - (1) In the case of referendum petitions enacting statutes, the Chief Justice determines that the petition contains at least five thousand (5,000) certified signatures.
 - (2) In the case of referendum petitions enacting constitutional amendments, the Chief Justice determines that the petition contains at least seven thousand five hundred (7,500) certified signatures.
- (c) Recall Petitions

The Chief Justice shall calculate the number of students in the Student Senator's constituency based upon the twelfth (12th) class day enrollment figures for Texas A&M University College Station

for the fall or spring academic semester, whichever is applicable.

(1) The Chief Justice shall multiply the number reached in Sub-Division (1) by 10% (.10). Should this calculation exceed 150, this calculation shall be used to determine the minimum number of certified signatures required; however, should this calculation be less than 150, 150 shall be used as the number of certified signatures required.

(2) The Chief Justice shall then determine that the petition contains at least the number of certified signatures called for by Sub-Division (2) above.

(d) The Chief Justice may cease counting signatures and immediately certify a petition as complete upon determining that the number of certified signatures for a petition is at least 10% more than is required. In all other cases, however, the Chief Justice shall count all signatures before determining whether the petition is complete or incomplete.

(e) All completed referendum petitions shall be delivered by the Chief Justice to the Election Commissioner in senate bill format within twenty-four (24) hours of their completion. All completed recall petitions shall be delivered by the Chief Justice to the Election Commissioner within twenty-four (24) hours of their completion. The completed referendum or recall petition shall be accompanied by a certified statement of the Chief Justice that the referendum or recall petition is complete.

ARTICLE VII. REFERENDUM AND RECALL ELECTION

SECTION I. Referendum Petitions

(a) The student body shall have the power to enact statutes in the form of a petition containing the signatures of at least 1% of the total number of the student body population at the time the referendum petition is being proposed with $\frac{1}{3}$ of support in the form of certified signatures from total current sitting senators that shall be recorded in a separate document to be counted towards the overall signature tally; Such statutes, if approved of by a majority vote of the student body, shall be binding.

(1) Should the referendum petition be deemed complete by the Chief Justice less than seven (7) days before the next general election, however, the Election Commissioner shall not place the completed referendum petition on the ballot until the next general student body election, as provided for in the Election Regulations Act (Title V Chapter 601) that is more than seven (7) days after the referendum petition is deemed complete by the Chief Justice.

(2) Should the Student Senate vote to call for a completed referendum petition to be voted on by the student body earlier than the next general student body election, pursuant to Article X of the constitution, the Election Commissioner shall call a student body election on the completed referendum petition no sooner than seven (7) days after the Student Senate's affirmative vote, but no later than twenty-eight (28) days after the Student Senate's

affirmative vote.

(b) The student body shall have the power to enact statutes in the form of a petition containing the signatures of at least 1% of the total number of the student body population at the time the referendum petition is being proposed with $\frac{2}{3}$ of support in the form of certified signatures from total current sitting senators that shall be recorded in a separate document to be counted towards the overall signature tally; Such statutes, if approved of by a majority vote of the student body, shall be binding.

(1) In the case of referendum petitions enacting statutes, the Chief Justice determines that the petition contains certified signatures of at least 1% of the total number of the student body population at the time the referendum petition is being proposed as well as $\frac{1}{3}$ of certified signatures from current student senators.

(2) In the case of referendum petitions enacting constitutional amendments, the Chief Justice determines that the petition contains certified signatures of at least 1% of the total number of the student body population at the time the referendum petition is being proposed as well as $\frac{2}{3}$ of certified signatures from current student senators.

(3) The Chief Justice shall certify all referendum results no sooner than forty-eight (48) hours after the referendum results, and no later than seventy-two (72) hours after the referendum results. The Chief Justice shall not certify any referendum result while a Judicial Court challenge is pending regarding the referendum result. This certification shall void any further challenge to referendum result.

(c) The Election Commissioner shall inform the Chief Justice of the Judicial Court, the Student Body President, and the Speaker of the Senate on the results of any election containing a completed referendum petition.

(d) Any referendum petition which passes a certified student body election shall be considered immediately amended into the Student Government Association Code as a matter of law. The petition shall then be physically amended into the Student Government Association Code by the Student Senate Rules and Regulations Chair according to the provisions of the Administrative General Act (Title I Chapter 001).

SECTION II. Recall Petitions

(a) All completed recall petitions shall be placed on the ballot for a special election of the Student Senator's constituency by the Election Commissioner. The ballot shall contain the name of the Student Senator subject to removal and a place for the students participating in the election to vote "yes" "no" or "abstain" on the question of whether the Student Senator should be removed from office.
